**Hike Description:**

The Hike will be at Infirmary Mound Park. We will start @ 11:00, right from the Bradley Center dinner location and head towards/around the dog park and a meadow trail into the woods. The wooded part will be mostly uphill. There are roots on the narrow trail, recommending solid footwear. The creek did not have any water at pre-hike but might have if there was rain. There are good stepping stones. At several points hikers can take short cuts back to the Bradley Center. There is a restroom about halfway. If the weather is not suitable for hiking in the woods, we can take trails around Moon Lake and Lookout Point.
